Press Release

## Secardeo – 10 years of trust

No. 3 / 2011

### Secardeo celebrates 10th anniversary.

**Ismaning, 01. July 2011** – Secardeo celebrates its 10th company anniversary in July 2011. The "Trusted e-Business Architects" thank their 10 years of trust for customers, partners and employees.

Secardeo was founded in 2001 by Dr. Gunnar Jacobson. Secardeo is a provider of enterprise solutions using digital signatures and certificates. Secardeo offers competent consulting, pioneering products and integrated solutions.

### Highlights

- 2001 Secardeo is founded and moves into the b-neun start-up center in Unterföhring; Secardeo performs long-term PKI projects for an electric company with 400,000 users.
- 2002 Secardeo develops a Part11 compliant solution with PDF signatures for a leading medical device manufacturer.
- 2003 pdfGate Verifier for automated checking of PDF signatures is published; Secardeo conducts a smart card project for an automotive group.
- 2004 pdfGate Signer is published for legally compliant PDF mass signatures. Secardeo performs encryption projects for an automobile manufacturer.
- 2005 Secardeo conducts a long-term project for secure webservices for a large energy provider.
- 2006 A solution for e-mail encryption is being designed for an automobile manufacturer.
- 2007 A PDF-workflow solution for digital signatures is implemented for a leading transport equipment manufacture. Secardeo moves to a larger office in Ismaning.
- 2008 Secardeo presents the certBox PKI Appliance, a unique certificate server for searching and publication of public keys.
- 2009 The certBox is integrated into one of the world's largest PKIs and in the European Bridge-CA.
- 2010 The Certificate Enrollment Proxy certEP is released. Secardeo conducts a consulting project for LTE PKI for a large mobile phone company.
- 2011 The certBox 2 is introduced and implemented in several leading industrial corporations.

In the 10 years of its existence Secardeo has performed a variety of projects for medium-sized business, public authorities, banks and large corporations. Secardeo is a member of the it-security organisation TeleTrusT.

The success of Secardeo is based on the outstanding competence and customer orientation of its employees and on the pioneering solutions for PKI and digital signatures.

**About Secardeo**

Secardeo is a pioneer in the field of enterprise solutions with digital signatures and certificates. We offer competent consulting, pathfinding products and integrated solutions. Our certBox enables global PKI-Interworking. We help our popular customers to increase IT security, lower costs and comply with regulations.
